**11** partners from BE, DE, FR, IE, LU, NL  
Cooperating from 2023 - 2027

EU funding  
**€5,4 million**

Total project budget  
**€8,9 million**

#### Objectives

Existing industrial and business parks will be made more climate-resilient by implementing green and blue infrastructure. This will reduce heat stress, create healthier working and living conditions and reduce the negative effects of climate change for businesses and municipalities.
